London, Feb. 20 .- The newspapers generally consider the result of the Bye election in Cardigan, Wales, Saturday, when Captain Ernest Evans, coalition liberal who was supported by Prime Minister Lloyd George, was elected to the house om commons, over Llewellyn Williams, independent liberal as a sat-isfactory answer to challenges concern-ing the strength of Mr. Lioyd George.

The millions donated to the general education board, said the statement.

The \$70,000,000 donation was made by Mr. Rickefeller a few weeks ago, \$50,-200,000 of which was given to various tolleges and universities for aid 000 for the improvement of medical edurat cn.

The labor statement quoted the federal industrial relations commission appointed by president Wilson—as saying of the Rockefeller foundation:

"The money with which the Rocke-feller formdation was created and is maintained consists of the wages of workers in American industries. These wages are withheld by means of economic pressure, violation of law, cunning and disorder practiced over a series of disorder practiced over a series of years by the founder and certain of his usiness associates."
